MULTIPLE WEAPONS

The RX-78 Gundam's wide range of armaments, which includes a selection of three weapons—arms, a beam sabers, and a bazooka.

CORE BLOCK SYSTEM

The modular design of the RX-78 Gundam lets it separate into an upper & lower & torso & parts, and a central core block, which houses the pilot and control systems. The core block also serves as an emergency escape vehicle.

FF-X7 CORE FIGHTER

Once separated, the RX-78 Gundam's core block transforms into a small aerospace fighter, equipped with a jet engine and missile launcher for aerial combat.
